segundo cuatrimestre.

Licenciatura en Administración y estrategia de negocios.

Ingles II

Estructura de una historia en pasado

A night of concert:

In the last vacation of 2023, Aldreso Olivas would give a concert in the city of Tuxtla Guitierrez, Chis. I was getting ready to go to the concert at the Foro Chiapas, when my friend Rosa was coming to my house so that we could go to the concert together.

while I was getting ready, the doorbell rang, it was my friend Rosa. I invited her in and we sat on the couch to talk for a while, we were talking about how to go to the concert and our favorite songs when my mother told us that it was time to leave.

We went to the place where he would give his concert. When we arrived the queue to enter was huge. We waited patiently waiting when suddenly it started to rain. We take out our umbrellas and continue waiting.

we finally entered the concert, went to our seats and enjoyed a great concert. After the concert we headed back to my house, while we talked about how amazing the concert was.
