

VIANEY JIMÉNEZ CORDERO

ABOUT ME

I am dedicated to my work and my career. I am currently working at a jewelry and beading company called Fleur de Lis, and I am also pursuing a law degree. I define myself as someone dedicated to my work and career, and someone who can become a great lawyer and team leader, based on my passion for law. I envision myself practicing law in four years, in a law firm, in the judiciary, or in a courtroom.
