Development. One Friday morning we went to the lakes of montebello, that day I woke up late and when i woke up I realized that my entire family and my two cousins who went with us were already ready. I was the only one missing, I got ready as quickly as posible, before I had already prepared my clothes and things in my backpack, we got in the car and left. While we were traveling my Mother scolded me for getting up late, when we had already met for an hour, at that time I told her I was sorry. Then we stopped at a stall where they sold fruits, sweets and cakes, we all went down to buy, I bought a cakes and my sister too, we continued the journey to get to the lakes. While we were in the car we laughed at jokes and jokes, then we arrived, we paid the entrance fee, we took down the things we were carrying, we put them in the palapa and a while later we ate, we talked and each of us went wherever we went to swim, to see the boats, I with my sister and some of my cousins went to the stalls, we bought bracelets, chips and I bought a prepared mango, but it was too spicy that I didn't eat it, I gave it to my sister.

We went to explore a Little, the place was very beautiful, but with the tres that surrounded the entire lake, we also swam for a while and saw another lake that was not far from where we were, but we had to go down one step, one of my cousins told us. We had to be careful because it was slippery, I was going down when I slipped, they were scared, they went to pick me up, they started laughig while my hand and foot hurt. I realized that I had scratched my hand and the ankle of my foot. That momento we returned to the palapa, they cleaned my wound. And I sat for a while, time passed, we changed while others loaded things into the car, we returned home.

**Conclusion.** I learned to be careful not to hurt myself but I also learned that it was nice to share and get to know the lakes of montebello more for nature and where many people come to live with family or friends and it was good so I had a good time with my family we had fun we laugherd I really liked the trip.
