A VACATION IN PUERTO ARISTA

Last year, during the December holidays, I decided to take a vacation to Puerto Arista.

During my vacation I traveled to Puerto Arista, I settled in Playa Sol with my suitcases; then I had breakfast, then I went out for a walk near the sea, while I was walking I saw a strong wave coming and I had to move away from the sea.

But the wave didn't take long, then I continued walking to get to know it, but during my vacation in Puerto Arista I received a beautiful gift, a swimsuit, but since I had a swimsuit before I was very happy. But the day came when I had to travel to Comitán again.

But then last year, at Christmas, we had dinner with my family. On the night of December 24th, I received a gift, a laptop. I was really happy. But my happiness ended because while I was looking at my laptop, my boyfriend called me and told me that we had broken up, so I got sad.

But at the end of my sadness, I realized that my vacation was the best, because I got to know such a beautiful place and spent more time with my family.
