## "My Story"

- When I was 10 years old I was studying primary school, my brother gave me a kitten.

She was my first pet. I loved her very much, she was with me for many years and I never separated from her. When I did homework late, she would fall asleep near me.

When I graduated from high school, I went to Playa del Carmen. It was a great experience and one of the most beautiful I had.

I saw the sea for the first time, it was very beautiful. I loved going to the beach and watching the sunset.

- After living two years in Playa del Carmen I decided to return home.

I was looking forward to seeing my family and my pet, whose name was princess ♡.

Unfortunately, there two months left before I returned home, my kitten went to kitten heaven. It was something very sad for me. 😞

After what happened I decided to get my first tattoo, which reminds me for her. ♡
