#### PROFESSIONAL PROFILE

I am a dedicated and creative student with a passion for psychology. In five years, I will be working as a preschool teacher, developing innovative solutions and improving my skills. My goal is to gain experience and grow professionally in the education field.

#### Work experience:

- Working in a company dedicated to desserts "Sucre fine pastry"
- Develop the posture of working under pressure

#### Skills & Competencies

- I am good at teamwork and problem-solving.
- I have experience in customer service
- I am organized and adaptable to new challenges.
