# *My presentation*

MY NAME IS JENNIFER GONZALEZ RAMOS AND I STUDY VETERINARY MEDICINE AND ANIMAL HUSBANDRY AT THE UDS. I REALLY LIKE THE COURSE BECAUSE IT COVERS INTERESTING TOPICS AND NEW THINGS THAT I AM LEARNING.

## **What I like and dislike about this career**

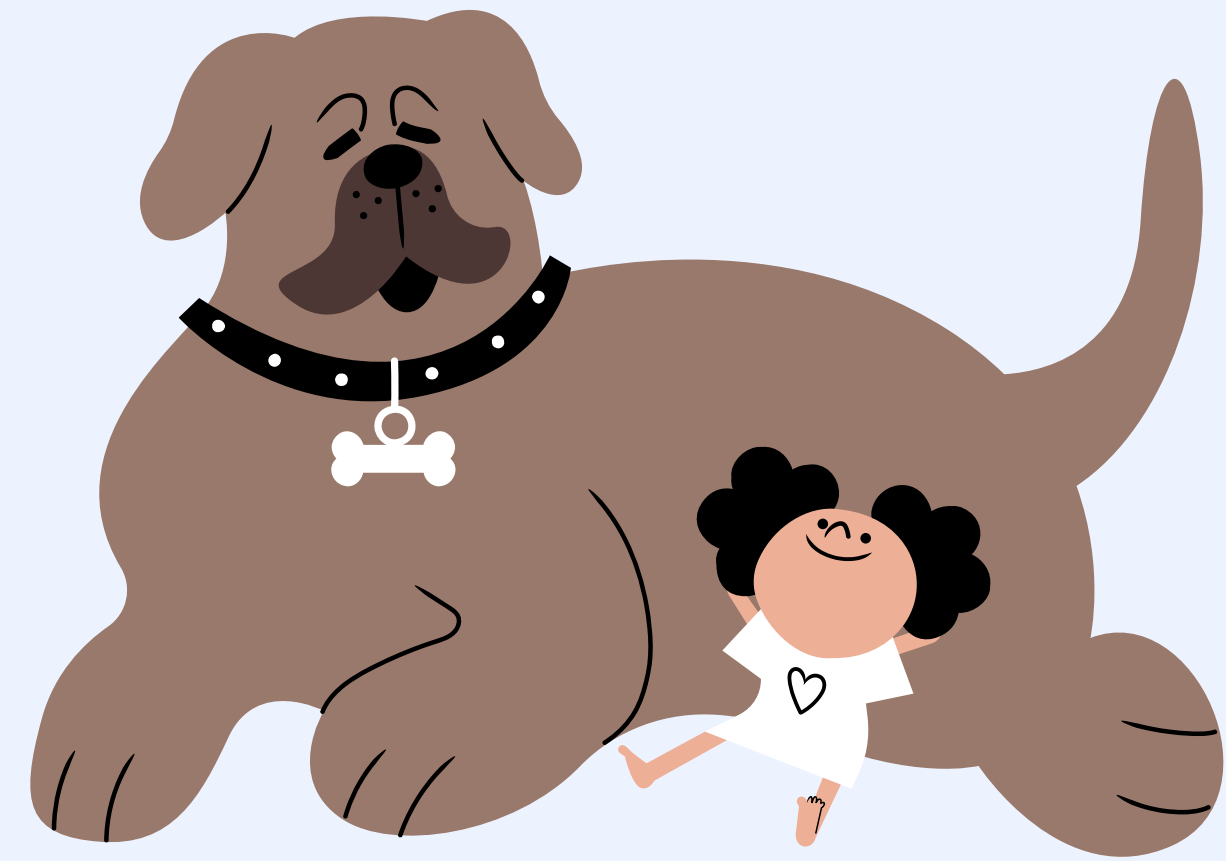

I like this profession because there is a lot of interaction with the animals that are our patients to cure and heal them, and what I don't like is that sometimes we have to sacrifice the animals because there is no chance that they will live or see them suffer from some disease.
