My Autobiography

My name is Estefany Yaquelin Espinosa Pérez. I am 19 years old and I was born on September 17th, 2005. I live in Comitán de Domínguez, Chiapas.

I am a friendly, responsible, and outgoing person. During the week, I wake up at 7:00 a.m. to go to school from Monday to Thursday. I finish my classes at 1:50 p.m.

Then I go home, have lunch, and study a little. If I have plans in the afternoon, I do them.

On weekends, I usually go out with my friends, my boyfriend, or my family. I enjoy spending time with the people I love.

I like watching movies, listening to music, and going out with my friends. I don't like doing exercise or cleaning my room sometimes. I am a creative and honest person. I can learn new things quickly.

I can't play a musical instrument, but I like cooking and I am good at it.

Here are three personal questions about me:

1. **What makes me unique?** I think what makes me unique is my ability to connect with people and make them feel comfortable.
2. **What is my biggest dream?** My biggest dream is to travel around the world and learn about different cultures.
3. **What do I want to improve about myself?** I want to be more confident and speak English more fluently.
