Daily Routine

I wake up at 5:00 a.m. I prepare lunch for my brother and me. Then, I take my sister to school. After that, I come back home, get ready, and go to school. In the afternoon, I sometimes go out with my parents. If not, I stay at home. I love watching series. I go to bed at 8:00 p.m. or sometimes at midnight.

Hobbies and Interests

My favorite hobby is listening to music. I love Rauw Alejandro. I used to like drawing, but I never learned well. I enjoy taking pictures. I don't like playing video games or watching horror movies.

Personality and Abilities

I think I am a friendly and respectful person, but also a little annoying in a funny way. I love English. I can't speak it very well and I don't understand it perfectly, but I really enjoy learning it. I can't play any musical instrument, but I want to learn how to play the drums or the guitar.
