INTRODUCCION

.

DAILY ROUTINE ''

I wake up at 6.00 am.. every day. I take a shower , get dressed, and eat breakfast . then I go to class and study during the day , In the afternoon, I rest and sometimes go to the gym . I cook my own food and clean my room. I don,t watch tv in the morning . at night , I do my homework and go to bed early .

HOBBIES AND INTEREST''

I like listening to music in my free time because it relaxes me . also enjoy drawing and going for walks when I have time. Sometimes I watch videos or read things that interest me . i don,t spend much time on social media because I prefer to do more productive activities I like studying my short nursing course .

PERSONALITY AND SKILLS ''

I AM a kind and responsible person with my tasks . I get along very well with my Friends and value teamwork . I pay close attention in class and I distance myself from friendships that distract me . I

like studying nursing because I am passionate about caring for others and learning new techniques . I am creative in practical nursing activities I strive to find innovative solutions I can organize my time effectively and I can , t speak english yet , but I want to learn it and be able to communicate fluently . I can,t play a musical instrument
