

# My Autobiography

Hello, my name is Lucero Inés Becerril Rojas. I was born on October 23, 2009. You can call me Ness. I really like sports. I also like listening to all kinds of music. My favorite food is meatballs at Chipotle. My favorite part of the day is sleeping. It's something I enjoy the most. I don't like to do any sports or physical activities without staying home. From Monday to Saturday, my routine is to go to school at 7:30. After school, I go to the gym from 3 to 5. After finishing, I go home to take a shower. I do homework from 7 to 8 at night, and I go to sleep at 9. I have a very good memory. I am good at learning things quickly and intelligently.

Do I think I can do what I set my mind to?

Do I like sports?

Do I think I can achieve what I set my mind to?
