SURESTE**

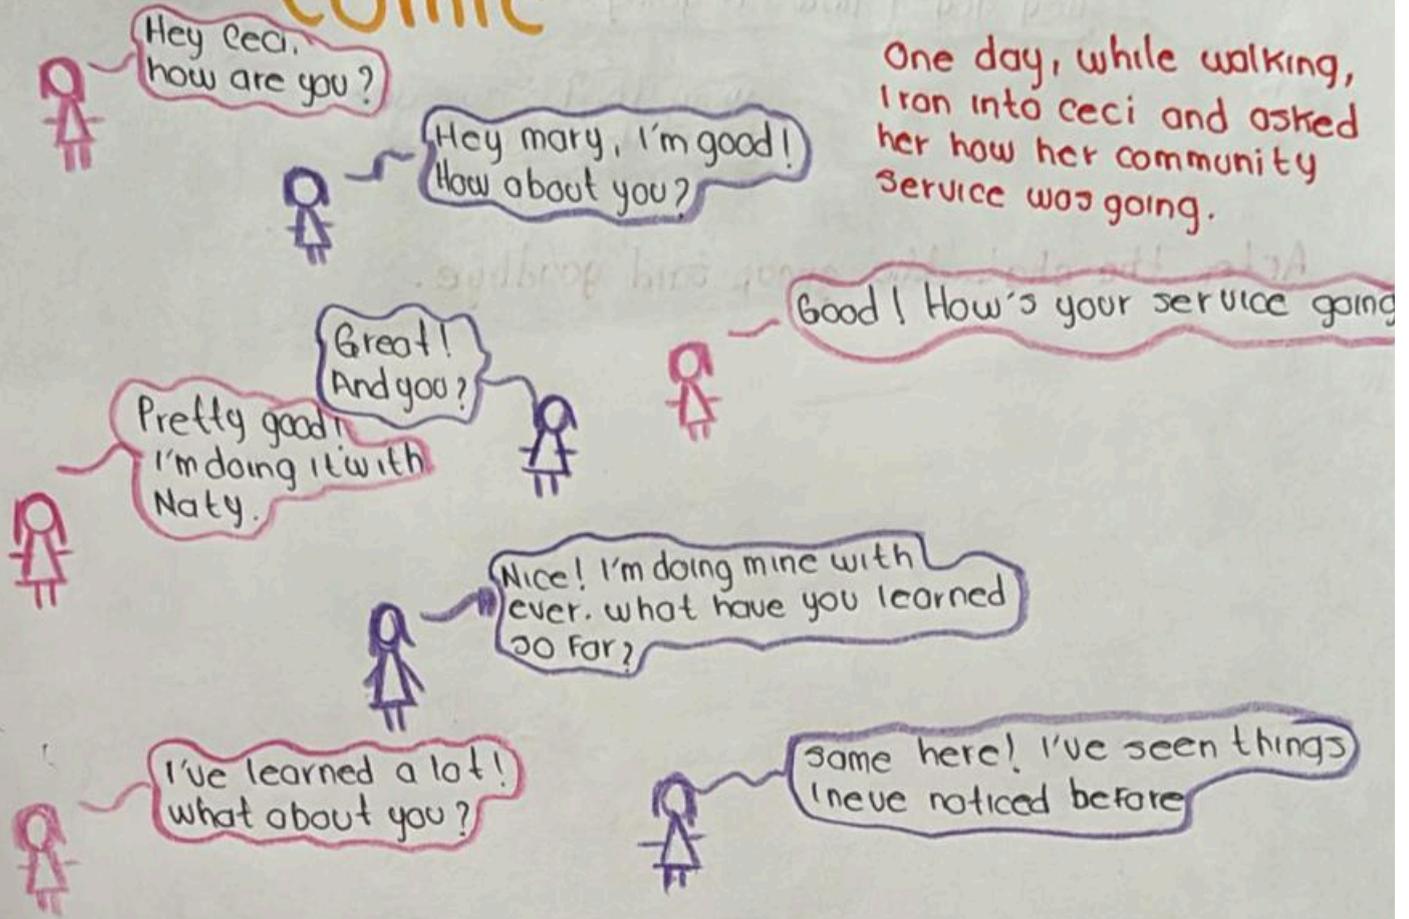

**Nombre De La Alumna: Maria Edie
Domiguez Valenzuela**

Carrera: Lic. Enfermería

Materia: Inglés

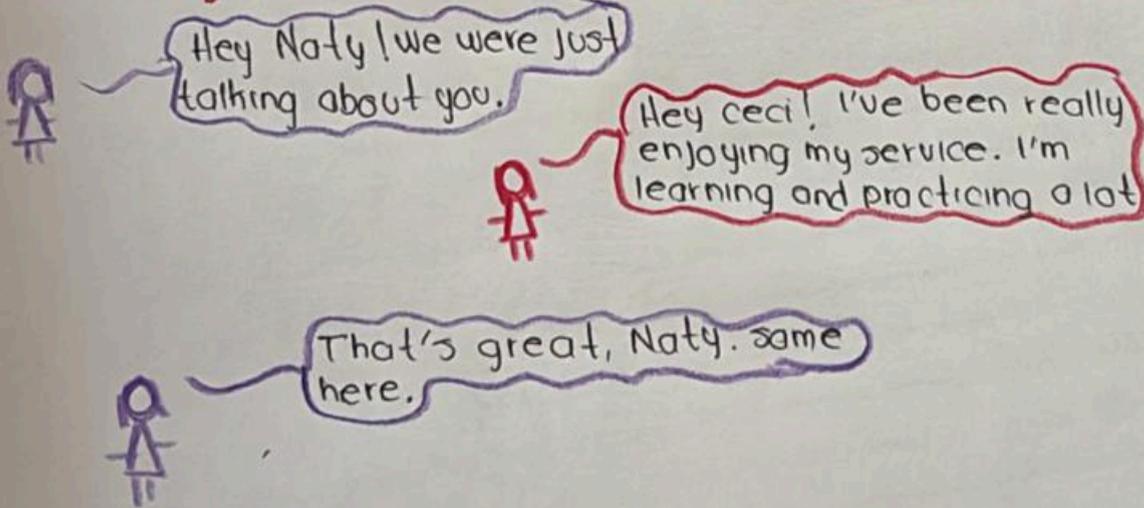

Grado: 3°

"Comic"

One day, while walking, I ran into ceci and asked her how her community service was going.

Then Naty joined us and the three of us started chatting

Later, Ever showed up and told us about his own experience.

Hey guys! How's it going?

Wow, that's awesome, Ever! How did it go?

After the chat, the group said goodbye.
