I should go to sleep earlier,  
I use my phone too much at night ,  
I don't sleep well anymore,  
if I study more I will pass the exam and I Won't be nervous during the  
exam anymore.

#### SOCIAL MEDIA OPINION

In my opinion, social media is very good because we can talk with  
friends and family.

I think that it helps us learn new things and share ideas.

I believe we must use it carefull and not spend too much time online.
