*A past experience (Past  
Simple and Past Continuous):*

**Last weekend, I worked the night shift at the cinema because a new movie had just premiered.**

**While I was selling tickets at the counter, a group of excited teenagers arrived to see the film.**

**The cinema was very busy, and I had to help at the snack bar too.**

**After my shift ended, I went home  
feeling tired**

Something I have done recently  
(Present Perfect):

**This week, I have worked several evening shifts and helped organize the movie schedules.**

**I have also cleaned the screening rooms and restocked the snack bar with popcorn and drinks.**

**In my free time, I have watched a few trailers of upcoming movies that I'm excited to see.**

My plans for next week

(Future - "will" or "going to"):

**Next week, I'm going to work during the premiere of another big movie, so it will be a busy time.**

**I will also train a new coworker who just joined the team at the cinema.**

**On my day off, I'm going to meet some friends for dinner at a restaurant and relax after a long week of work.**
