

TRADER INGLES

6/10/2025

UDS

INTRODUCCIÓN

The profession I want and dream of is to be a trader because I want to earn a lot of money and in addition to that I love the topics and that it has such as forex, crypto currencies, stocks, minerals among other things

CARACTERÍSTICAS

Characteristics, I can work from the casp

- I can work for an hour or whatever I want

- Leave a very source of money

- After work I have free time

- And why I want to dedicate myself to that is because I want to achieve my financial freedom at an early age

And withdraw my parents

The elements or skills necessary to perform this

Work

- a computer
- an iPad
- a phone
- Knowledge
- have wifi

The countries where this work has more than manda

- basically there is no you can do it from your house but that work is worldwide for example Mexico
- USA
- Spain

NICE DAY
